

Come Learn More About

The Otisville/ Mount Hope Community Outreach Program

Hometown Helpers

on Monday, June 10th

*An **orientation** for new volunteers – and those wishing to learn more about the program - will be conducted on **Monday, June 10th** from 10 a.m. to noon at the Village Hall, 66 Highland Avenue, Otisville.*

To pre-register, or simply to learn more about the organization, contact Diane at 386-1251 or email her at dloeven@huc.rr.com

*By-the way, **walk-ins are also welcome to attend!***

We are in need of more volunteers to assist seniors living in the Otisville/Mount Hope area. Our greatest need is for drivers because the most common request we get is for transportation to shopping and doctors' appointments. However, there are many other services you could assist with if you are not interested in providing transportation.

As an example, maybe you'd enjoy making friendly visits to a senior who is alone and would look forward to sharing an occasional cup of tea with a friendly neighbor.

Volunteers are scheduled only at their availability. You do not need to commit to a certain day of the week or month - and there is NO minimum number of hours.

Even an hour or two every couple of months would be welcome ~ because every little bit helps to

Plant the Seeds of Hope in the Lives of our Senior Neighbors!
