## PERMIT APPLICANTS

Orange County Department of Public Works now requires that the following note be placed on all drawings that involve permits that adjoin a county roadway and involve access to, drainage to, or any other services on a County road;

**NO site preparation or construction shall commence until a valid entrance permit has been secured from the Orange County Department of Public Works under section 136 of the Highway Law**

If this note is not present on the drawings, the application will be rejected without further review by the Building Department!
